

**POSTED APRIL 14, 2023, AT 4:30 PM**

**Free Fly Day and Airport Open House Update  
Danville Regional Airport, April 29, 2023**

- **A parent or legal guardian must be in attendance when a child completes an airplane ride to sign a waiver.**
- Ten pilots are expected to complete free airplane rides for children, ages 8 to 17 from 10 am until 3 pm on Saturday, April 29<sup>th</sup>. A rain date is not scheduled for this event.
- Persons should arrive at the event based on their pre-registered time slot.
- Based on attendance activity, flights will be provided for persons who are wait-listed and walk-ins. However, the airport cannot guarantee that a flight will be completed for persons who are wait-listed and walk-ins.
- Airplane rides may be impacted by low ceiling conditions or rain. **The airport's webpage will be updated on Friday, April 28, 2023, to identify whether airplane rides can be provided.**
- Open House activities will be completed regardless of weather conditions and will include tours of the Airport's Operations Tower and the Civil Air Patrol. In addition, those attending can experience the Danville Science Center's StarLab and enjoy a star filled night and flight into space aboard the Orion Spacecraft. This exhibit will be located near the sliding glass doors of the terminal building.
- There is no charge to attend the open house and free refreshments will be provided to the public.
