CAPITAL & SPECIAL PROJECTS HIGHLIGHTS

The City of Danville's Capital & Special Projects Plan (CSP) is a five-year presentation of proposed major capital and special projects for all municipal funds. Included are projects with provisions for blight removal, economic development, River District renovation, construction, replacement or rehabilitation of public facilities, technology infrastructure, major street improvements, equipment replacement, school improvements, and utility infrastructure. Careful consideration is given annually to developing a CSP that is economically feasible and prudent, and will provide long-term benefits for the safety and well-being of the community.

The CSP is categorized into General Fund and Utility Fund projects. The proposed 2022-26 Five-Year CSP provides for total revenues and expenditures of \$382,819,917 of which FY 2022 projects total \$39,933,278. There are Unfunded/Unscheduled projects for years beyond FY 2026 in the amount of \$141,200,000.

FUNDING

General Obligation Bonds

This CSP includes the issuance of \$8,924,660 in General Obligation Bonds during FY 2022 to fund projects in the Electric Fund and General Fund departments, including fire, parks & recreation, public works buildings and grounds, transportation, schools, police and streets. This represents approximately 22.35% of FY 2022 funding sources. Projects funded with bonds are not included in the Budget Appropriation Ordinance. These projects are appropriated by a separate Bond Appropriation Ordinance. Unused bond authorization from the prior fiscal year will be used due to General Fund projects exceeding the authorized amount of bonds for one fiscal year.

Pursuant to Chapter 9, Section 9.7 (A), (D), (E), and (F) of the City Charter, issuance of the following may be authorized by City Council without voter's approval:

- Up to \$6 million of bonds in any one fiscal year to finance capital expenditures excluding capital improvements related to water, sewer, gas, or electric improvements.
- Up to \$10 million of bonds in any one fiscal year to finance capital expenditures relating to the City's water, sewer, gas, electric systems, or other undertaking from which the City may derive a revenue.
- Up to \$25 million of bonds or notes in any one fiscal year for capital expenditures relating to the City's water treatment, wastewater treatment, stormwater treatment, solid waste disposal, recycling facilities, and any extraordinary maintenance improvements or expansions of transmission and/or distribution infrastructure for the electric or gas systems.
- Refunding bonds issued to refinance existing debt.

Bond Anticipation Notes

The CSP for FY 2022 also includes funding from a note payable issued through the City's Masterlease program with the Industrial Facility Authority of Danville. This borrowing provides funding for economic development initiatives and various community projects planned for FY 2022 and 2023. The terms of this borrowing call for interest-only payments over a five-year period. At, or before, the end of year five, the City has the option of paying off this borrowing or replacing it with a traditional general obligation bond offering. The City anticipates using future casino revenues to extinguish this debt before the end of the fifth year. This borrowing has provided \$7,235,000 of funding for the FY 2022 CSP, representing 18.12% of CSP resources. These projects are not included in the Budget Appropriation Ordinance as a separate appropriation ordinance will be adopted by City Council.

Casino Funds

The citizens of Danville, in the general election of November 2020, voted by referendum in favor of the operation of a casino. The City has awarded a contract to Ceasars Virginia, LLC. As part of that contract, Ceasars Virginia, LLC paid the City \$20,000,000 providing for needed capital and special projects in anticipation of the operation of a casino within the City. A portion of those funds, \$6,302,857 are included in this Capital & Special Projects Plan for FY 2022. This represents 15.78% of total funding for projects. These projects are not included in the Budget Appropriation Ordinance. A resolution was passed by City Council on May 4, 2021 authorizing the transfer of funds from the holding account to separate projects as detailed in the resolution.

State and Federal Funding

State grants from the Virginia Department of Transportation (VDOT) Revenue Sharing program provide funding for Public Works street projects. Other State grants provide funding for various airport projects. FY 2022 proposes funding in the amount of \$449,169 approximately 1.12% of FY 2022 project funding.

State Aid to Localities

Virginia Fire Service Program provides funding for qualified projects. These projects are required to fund purchases not included in the Fire Department's operating budget. Since the 1987 annexation, the City used these funds in combination with General Fund current revenues to pay debt service for lease-purchases of fire apparatus equipment. In FY 2004, a Fire Apparatus Replacement Program was instituted to provide pay-as-you-go funding of new fire trucks and equipment. Fire pumper trucks have an average life of 15 years and ladder trucks 20 years. The FY 2022 CSP includes \$575,270 toward the Apparatus/Equipment Plan with estimated State funding in the amount of \$165,000.

Current Revenues

This category provides total FY 2022 funding in the amount \$5,106,592, representing 12.79% of FY 2022 funding sources. Utility revenues provide \$4,709,290 while the General Fund provides support of \$397,302.

Unreserved Fund Balance

Transfers from the unreserved fund balance includes \$2,000,000 from the Wastewater Fund and \$1,700,000 from the Water Fund for a total of \$3,700,000 and represents 9.27% of project funding. There is no use of Unreserved Fund Balance from the General Fund for FY 2022.

Reprogrammed Funds

This funding source represents project funding appropriated prior to July 1, 2021. Revenue from the sale of the Hydro Plant, finalized in FY 2021, are designated for Electric Fund Substation projects in the amount of \$8,000,000 representing 20.03% of total funding.

Contribution-in-Aid

The General Fund project for Gateway Corridor Landscaping Improvements utilizes \$50,000 from the Special Revenue Fund’s DIG project which receives funds from area businesses and other organizations for maintenance of Danville’s Interchanges.

PROJECTS

General Fund

Community Development – The Blight Removal Project benefits the City by eliminating derelict structures and repairing owner-occupied structures. Reduction in property blight should stimulate improvement in the housing market and reduce demands on municipal services. The City’s image as a great place to live, work, and raise a family will be enhanced. In addition, funding will provide for the City to conduct a master plan for redevelopment of the Almegro area surrounding the historic Winslow Hospital.

Economic Development – This category includes the International Recruitment Implementation, River District Purchase & Improvement Plan, and Industrial & Tourism Site Development. Funding for these projects is provided by a combination of Bond Anticipation Notes and Casino Funds. Also included in a future year are two Airport projects that are related to Economic Development.

Fire Department – This category provides for the Fire Apparatus/Equipment Replacement Plan. The Fire projects use State Aid to Localities in the amount of approximately \$165,000. This is an annual revenue and has to be used for capital expenditures not included in the department’s operating budget.

Information Technology – Technology continues to change and the City needs to stay current with the latest infrastructure, end-of-life replacements of hardware and enhancements that will make the organization more efficient and effective. Projects in this category include the Computer Plan providing for infrastructure needs, Enterprise Resource Planning providing upgrades and enhancements to the City’s financial and human resource management systems, geographic information system upgrades, and replacement of the Public Safety System. Future years include projects for computer room infrastructure upgrade and technology investment in Fire Department software and hardware.

Parks and Recreation – Projects in this category include park facilities and improvements, Riverwalk Trail maintenance, City auditorium improvements, the Riverfront Park, Welcome Center improvements, Splash Pads, equipment acquisition, and park paving projects. Maintaining modern recreational facilities is important to maintaining Danville’s favorable quality of life.

Police –Projects in the Police Dept include the continued expansion of closed-circuit television system, year five of five for the continued replacement of body-worn cameras and tasers for all police officers, and police equipment upgrades. Future years include plans for Digital Encryption of Police Department Radios. The Adult Detention facility improvements includes the purchase of a new washer and dryer in FY 2022.

Public Works – General maintenance of Buildings and Grounds provides for major repairs and maintenance of city-owned buildings. Other projects include elevator, roof, and HVAC replacements, resurfacing of City-owned parking lots, purchase of emergency generators, and interior and exterior painting of city buildings. Engineering and Street projects include River District street improvements and landscaping, stormwater improvements, general street improvements, city-wide wayfinding (signage), gateway corridor landscaping, and various other street improvements, many of which include VDOT revenue sharing. Also included in Public Works projects are a number of projects shown in year five but actually fall outside of the five-year plan as *Unscheduled/Unfunded*. These projects are listed in order for City Council to be aware of many high-dollar projects which are needed.

Public Schools – The Schools projects include improvements for several schools over the next five years. A referendum is scheduled for the November election which, if passed, will provide significant bond funding which will take the place of the projects shown in the CSP. In addition, funding is provided to renovate the GWHS Track field.

Transportation Department – Airport projects include rehab of Runway 13/31, construction of additional airplane hangars, roof repairs, widening of Taxiway H, terminal building renovations, and other taxiway & ramp improvements.

Utility Funds

Sewer/Wastewater - Public Works sewer projects include annual funding for sewer line reconstruction and new sewer lines/inflow and infiltration reduction. Other major sewer

projects scheduled include replacement of Apple Branch Sewer lines (FY 2022), Fall Creek Sewer Reconstruction (FY 2022 & FY 2023), Tributary Line to Jackson Branch Outfall (FY 2024), Tributary Line to Sandy Creek Outfall (FY 2025), and Luna Lake Sewer lines (FY 2026). There are no Wastewater Treatment Plant projects included.

Water – Many of the City’s water mains and service lines are old, deteriorating, and have outlived their life expectancies. The Water Line Reconstruction project is a multi-year effort to address the replacement of old cast iron pipelines causing continuous problems. Also included is the Berry Hill Industrial Park water infrastructure.

Gas – Funding provides for the expansion of natural gas service in Pittsylvania County.

Electric – Distribution, Substation, and Transmission projects are included over the next five years. Projects include line rebuilds, substation upgrades and AEP fourth delivery point. Funds from the sale of the Hydro Plant provides \$8,000,000 for Substation Upgrades.

Telecommunications – nDanville has gradually extended its service to residential neighborhoods on a pay-as-you-go basis. The deployment will continue to expand nDanville into residential neighborhoods.

PROJECT SUMMARIES

On the following pages are five-year CSP summary tables listing all capital projects by Fund/Department. Additionally, FY 2022 project funding sources for each fund are included. Section 2 contains 5-year summaries for each fund. Section 3 contains project details.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Comprehensive Blight Removal and Community Improvement Program
Project No: 60806

Department: Community Development
Division: Housing
Section: N/A

Description:

This project continues the City's efforts to improve housing and eliminate blight by implementing the strategies recommended in the comprehensive housing study conducted by CZB in 2014. It includes funds for demolition of valueless property, stabilization of important historically significant properties, enhanced code enforcement, establishment of a non-profit community development entity, establishment of a loan loss reserve fund, and redevelopment of the Five Forks commercial area.

Justification:

The City's 2014 Comprehensive Housing Market analysis demonstrated that much is needed to be done in order to make Danville a community of choice for individuals and families locating to our area. The City of Danville is experiencing four issues that impact the quality of housing and each requires attention to make any kind of significant improvement: excess supply, geographic isolation from larger markets, declining incomes and a large inventory of unappealing housing stocks. The CZB housing study made several recommendations to improve the market conditions and reverse the trend that is creating blight and further devaluation of properties. If nothing is done to reverse the trend, the City's housing market will continue to decline and affect every neighborhood. The strategies recommended in the plan are proven and documented by industry professionals to have a positive impact on the communities where implemented.

Funding Sources:	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
General Fund Revenues	150,000	500,000	500,000	500,000	500,000	2,150,000
General Fund Balance						-
Casino Revenues	1,100,000					1,100,000
Total Funding Sources	1,250,000	500,000	500,000	500,000	500,000	3,250,000

Goals/Milestones:

FY 2022	Demolition of up to 50 derelict and unsafe structures; purchase and stabilize one vacant derelict structure with OWE/West Main/Grove Street areas, continue initiative of receiving matching funds from private sector and other sources, continue support of CDC/Land Bank. Development of a master plan for the redevelopment of the Almgro Area surrounding the historic Winslow Hospital.
FY 2023	Demolition of 50 derelict and unsafe structures; support rehabilitation of structures within the OWE and Schoolfield/Edgewood areas, continue partial funding of CDC/Land Bank
FY 2024	Demolition of up to 50 derelict and unsafe structures; support of rehabilitation of structures within the OWE and Schoolfield/Edgewood areas and other areas as determined by Year 2040 Comprehensive Plan; continue partial funding of CDC/Land Bank
FY 2025	Demolition of up to 50 derelict and unsafe structures; continue support of rebhalitation of structures within Schoolfield/Edgewood area and other areas determined by the Year 2040 Comprehensive Plan; continue partial funding of CDC/Land Bank
FY 2026	Demolition of up to 50 derelict and unsafe structures; continue support of rehabilitation of structures within the Schoolfield/Edgewood area and other areas determined by the Year 2040 Comprehensive Plan continue partial funding of CDC/Land Bank

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: International Recruitment Implementation
Project No: 61097

Department: Economic Development
Division: N/A
Section: N/A

Description:

International recruitment allows the OED great flexibility to recruitment in areas with vibrant economies such as the European Market which is currently showing lots of activity and interest for capital investment and job creation in the U.S and specifically, Danville. This request includes funds that covers the costs of staff to travel internationally if necessary to close deals. This also covers the cost of the consulting contract with Hunton Andrews Kurth to assist with recruitment and ED strategy.

Justification:

This CSP request directly supports the recruitment of new international industry to the region which provides jobs and tax dollars to the City of Danville. Between 2018 and 2020, there were three new international industries announced that will be locating in the City of Danville and one expansion as a direct result of this initiative. There are 2-3 active prospects that could be announced prior to the end of the calendar year.

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: River District Property Purchase & Improvement Plan
Project No: 60921

Department: Economic Development
Division: N/A
Section: N/A

Description:

The requested funds are to be used for redeveloping key properties in the River District. Through the vehicle of the Industrial Development Authority, the funds are used to purchase derelict downtown property, redevelop properties, partner with private sector developers for renovation projects, and assist economic development projects that want to locate in the River District.

Justification:

Buildings and properties have deteriorated in the River District for the last four decades to the point that many of the buildings are beyond any level of economic feasibility for renovating. Danville has a lack of private sector development dollars to turn the tide against blight. To spur private sector development, we are using CIP funds to purchase key properties and renovate them with the hopes that the private sector will step in

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Industrial & Tourism Site Development
Project No: 608*

Department: Economic Development
Division: N/A
Section: N/A

Description:

To ensure our future economic competitiveness and continue to build the tax base, the Office of Economic Development recommends the Industrial Development Authority, through funding from the City of Danville, purchase property to develop industrial and tourism sites within the city and/or county limits for prospective businesses.

Justification:

Due to the relative success of Danville's economic development efforts the past ten years, we have limited developable or shovel-ready property within the region. Two properties have been identified for future industrial or tourism development. In order to proactively prepare these sites for future private use, City will need to plan to invest resources in advance.

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: Airport-Design Svcs to Rehab Closed Runway 24 and Construct new Ramp Area
Project No: TBD

Department: Economic Development
Division: N/A
Section: N/A

Description:

Funding is requested to complete airport engineering design services to rehabilitate the existing closed Runway 24, which is located on the northeast side of the field. This project would support the creation of a 50' wide taxi-lane. The taxi-lane would provide access to an aircraft parking area that would be located adjacent to the future development of large corporate hangars.

Justification:

The rehabilitation of pavement related to closed Runway 24 would support the construction of a taxi-lane to support aircraft maintenance activities and the disassembly of regional jet aircraft. The closed runway is located on the northeast side of the field and the adjacent area can support the development of large 15,000 square foot hangars that cannot be developed anywhere else on the airfield presently. The existing pavement for closed Runway 24 must be rehabilitated to support aircraft operations related to planned maintenance activities.

Comments:

This project has been moved to Economic Development in order for Council discussion in closed session. This project has an economic development impact

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: Northeast Apron/Hangar Design & Construction

Department: Economic Development

Project No: TBD

Division: N/A

Section: N/A

Description:

Planned airport facility improvements call for the construction of a new 15,000 square foot hangar to support prospective demand for aircraft storage and aviation business development objectives. This project would involve site prep design services, site prep work, development of utility connections to the site located on the northeast side of the airport and hangar construction.

Justification:

The purpose of this project is to development an aircraft parking ramp and a new 115' x 130' hangar that could support demand for aircraft storage for aviation business development.

Comments:

This project has been moved to Economic Development in order for Council discussion in closed session. This project has an economic development impact

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Fire Apparatus & Equipment Replacement Plan
Project No: 60184

Department: Fire
Division: Fire Administration
Section: N/A

Description:

This project provides for the replacement of fire apparatus at the end of its useful life and the replacement of necessary firefighting equipment, personal protective gear, radios, and so forth.

Justification:

Each year the City receives funds from the Virginia Dept of Fire Programs. These funds are estimated each year as a General Fund revenue, and must be used for select capital and special equipment purchases. The Fire Apparatus and Equipment Replacement Plan is a qualified purchase to continue receiving these funds from the State. Revenue Source, Aid to Localities, is an estimate; however, if the revenue realized exceeds this estimate, the full amount of the revenue will be applied to purchases of equipment or fire apparatus as shown in this project.

PROJECT DESCRIPTION**

Project Title: Public Safety Replacement Project
Project No: 61650

Department: Information Technology
Division: N/A
Section: N/A

Description:

This project will fund the replacement of our existing Public Safety system which will reach end of life by 2023. This includes all existing modules as well as new recommended modules.

Justification:

The current system will reach end of life

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

Project Title: Geographic Information System
Project No: 60001

Department: Information Technology
Division: N/A
Section: N/A

Description:

This project is necessary to upgrade hardware/software and enhance/maintain current GIS data layers, and add new orthophotography to selected locations in Danville.

Justification:

The purpose of this project is to 1) support the current systems with changing technology, 2) maintain and enhance current databases, and 3) increase opportunities for information transparency, e-services and community outreach.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN

PROJECT DESCRIPTION

Project Title: Riverwalk Trail
Project No: 61075

Department: Parks & Recreation
Division: Administration
Section: N/A

Description:

This project is for repairs and maintenance to the Riverwalk Trail and includes repaving, storm damage and erosion issues.

Justification:

Riverwalk Trail is one of the most used and visible recreational amenities in the region, serving thousands of people per year. Currently the trail is over 8.5 miles in distance. The trail has been built using state grant monies of which we apply for annually. The fact that the trail is built mainly in a flood plain along a river adds to the level of required maintenance.

Comments:

N/A

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

						-
Total Funding Sources	125,000	25,000	25,000	25,000	25,000	225,000

Goals/Milestones:

FY 2022	Relocation of trail sections due to erosion and repairs to boardwalks. A&E Services for Riverwalk Trail relocation and boardwalks
FY 2023	Repairs/maintenance to include re-paving, storm damage and erosion issues on the Riverwalk;
FY 2024	Repairs/maintenance to include re-paving, storm damage and erosion issues on the Riverwalk.
FY 2025	Repairs/maintenance to include re-paving, storm damage and erosion issues on the Riverwalk.
FY 2026	Repairs/maintenance to include re-paving, storm damage and erosion issues on the Riverwalk.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Welcome Center Improvements
Project No: 61562

Department: Parks & Recreation
Division: N/A
Section: N/A

Description:
Renovations to the Danville Welcome Center to include parking lot upgrades and building and landscape improvements.

Justification:
The Welcome Center has approximately 25,000 visitors per year thru the facility and the complex has never had any major renovations since it was built.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
State Revenues	25,000	25,000	25,000	25,000	25,000	125,000
Total Funding Sources	25,000	25,000	25,000	25,000	25,000	125,000

Goals/Milestones:

FY 2022	Renovations to Welcome Center building and grounds
FY 2023	Renovations to Welcome Center
FY 2024	Renovations to Welcome Center
FY 2025	Renovations to Welcome Center
FY 2026	Renovations to Welcome Center

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: City Auditorium Renovations
Project No: 61603

Department: Parks & Recreation
Division: Administration
Section: N/A

Description:

The Master Plan for the City Auditorium described a phased approach plan to renovation of the building. Phase I of the electrical upgrade has been completed. Phase II renovations are to the HVAC systems. Completion of Phase II will allow the ability for heat and air as other sections are renovated. In addition to the HVAC system, the exterior windows are in great need of replacement.

Justification:

This building has been in continuous use since 1932. It continues to see heavy traffic as Administrative Offices and for recreation programming. As the revitalization of downtown continues, this building could become a vital spot for theatre style performances, musical events, lectures and an expanded recreational programming area

Comments:

Bonds	150,000					150,000
Total Funding Sources	150,000	75,000	-	-	-	225,000

Goals/Milestones:

FY 2022	Removal of window air conditioner units and installation of mini split HVAC units. Renovation to six staff and public restrooms
FY 2023	Upgrades to branch electrical circuits
FY 2024	
FY 2025	N/A
FY 2026	N/A

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Splash Pads
Project No: 61618

Department: Parks & Recreation
Division: Administration
Section: N/A

Description:
To construct new splash pads in North and South Danville.

Justification:
At the request of City Council.

To add neighborhood water recreation on a small scale which would be free and open to the public.

Comments:
We would expect this to be very popular. A concern would be overcapacity since these are free and open to the public. Both facilities have been designed to allow for future expansion if necessary. Water testing would need to be outsourced. This would increase upkeep during the operational months which could require additional staffing. Cost are estimated based on professional design. Cost could vary based on actual bid.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
Bonds						-
BANS	1,455,000					1,455,000

FY 2023	N/A
FY 2024	N/A
FY 2025	N/A
FY 2026	N/A

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: Riverfront Park
Project No: 61443

Department: Parks & Recreation
Division: Administration
Section: N/A

Description:

This project would start construction of the "Riverfront Park" at the 4.5 acre property along the Dan River between the White Mill and MLK Bridge. The first step was to develop a conceptual master plan which was completed in 2017. This project would start construction of the "Riverfront Park" at the 4.5 acre property along the Dan River between the White Mill and MLK Bridge. The first step was to develop a conceptual master plan which was completed in 2017. The estimated expense for construction is \$10 million. Fundraising has begun (2018) by making applications to local foundations and by developing a fundraising strategy. The hope is to raise the majority of the total construction cost within the next year.

Justification:

The proposed park was recommended in the River District Master Plan as a key public investment in recreation amenities for the River District. The purpose of this park would be to create an amenity that attracts visitors to the River District and increases economic activity. The River District Master Plan suggests that development of a park on this property would lead to additional private investment.

Comments:

The City does own this property. The Master Plan was created with significant public input. Duke Energy Funds are available to be used as local match for grants for which the City will be applying.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
Casino Revenues	3,500,000					3,500,000
Utilities Revenues	500,000					500,000
Total Funding Sources	4,000,000	-	-	-	-	4,000,000

Goals/Milestones:

FY 2022	Continued construction of Riverfront Park
FY 2023	N/A
FY 2024	N/A
FY 2025	N/A
FY 2026	N/A

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: Close Circuit Television System Expansion Ph III
Project No: 61436

Department: Police
Division: Administration
Section: N/A

Description:

The proposed funding will be used to expand the existing CCTV network to increase public safety and monitor city assets. Activities include adding additional camera sites, relocating existing cameras that have been obstructed by landscaping or new construction, and adding decoy cameras. CCTV Expansion to include: Ingestion of other City cameras, Ingestion of school cameras, Adding (real) cameras along the trail, Ingestion of commercial cameras in shopping centers, Adding cameras to strategically positioned intersections

Justification:

The CCTV Network has facilitated and been instrumental in the resolution of a number of major and minor crimes within the network by capturing critical footage of individual and vehicles involved in criminal activity within the network. The Department is requesting to expand the network to other parts of the city in order to extend this capability to other areas. The expansion of the CCTV Network is a key part of the Department's crime reduction strategy moving forward.

Comments:

The CCTV Network will eventually be the backbone for the establishment of a real-time crime center. Officers will be able to proactively monitor areas of the city with higher incidence of crime and allocate resources to prevent and address crime in real-time. The CCTV Network has already paid dividends in the River District and especially at SOVAH Health in identifying homicide and other violent crime participants by capturing vehicle tags and individual dropping victims off and fleeing.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Tasers & Body-worn Cameras
Project No: 61347

Department: Police
Division: Administration
Section: N/A

Description:
Maintenance and replacement contract for police body worn cameras (BWC) and Taser stun devices (CEW).

Justification:
The department has outfitted the majority of officers with individual body worn cameras and Taser devices. These units will soon reach the end-of-life cycle and will need to be replaced. The contract provides for upgrades and replacement of a scheduled plan and avoids the expenditure of funds for replacing and upgrading each device piece-mill and saves cost over the long-term.

Comments:
This program allows agencies to spread the replacement cost out over a five-year period as opposed to having to pay out large sums of money in one budget year. The program includes new BWCs for everyone at the start of the contract, year 2.5 and year 5. New CEWs for everyone year one and year five; docks, full coverage, accessories, E.com subscription. We have submitted this project for a "Smart Policing" grant for \$700,000 to fund the project over a three-year period.

Additional Comments: Due to budgetary challenges, departments were asked to evaluate current projects for unexpended funds available for reprogramming to FY20 projects. Projects with funding that have not started were evaluated and in several instances these projects were determined not ready to commence. Funding for these projects are also proposed for reprogramming to FY20 projects. At the time the former projects are deemed ready to proceed, new funding will be required in future CSPs. This project is proposed to use reprogrammed Adult Detention Facility Project Funds.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Police Equipment Replacement & Upgrades
Project No: 61602

Department: Police
Division: Administration
Section: N/A

Description:
Replacement and upgrade of equipment in the following areas; SWAT and Honor Guard equipment.

Justification:
The Department is seeking to replace SWAT team is in need to equipment replacement and upgrades b/c existing equipment is at its end-of life-cycle or the manufacturer recommended replacement cycle. The Honor Guard has never purchased or had a purpose designed uniform. The current uniform configuration was a piece-mill uniform thrown together 25 years ago to meet the need and budget constraints at the time. The replacement pieces will be badges and hat pins for the honor guard

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Digital Encryption of Police Dept radios
Project No: TBD

Department: Police
Division: Administration
Section: N/A

Description:
This project will provide the hardware and firmware installation and update of 200 DPD mobile (vehicle) and portable (handheld) Kenwood radios.

Justification:
This project will provide the DPD with secure radio communications. When we upgraded to our current digital Kenwood radio system approximately 4 years ago, the Department benefited from a level of security in our communications by virtue of a new radio platform that existing consumer-grade scanning technology was unable to decipher. That technology has since caught up with our radio platform and once again, our radio transmissions are no longer secure. In the past, monitoring of police radio communications required a purchase of a scanner and was typically limited to police enthusiasts. With the emergence of the smart phone platform, the ability to monitor police radio communications is now available to anyone with a smart phone at little to no cost.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: ADF-Replacement of Washer & Dryer
Project No: 60005

Department: Police
Division: Adult Detention Facility
Section: N/A

Description:
This project provides for the replacement of the washer and dryer units at the Adult Detention Center.

Justification:
The current ADC washer and dryer units were installed in 2001. These units currently support the ADC population, which averages 175 inmates, plus the female inmates housed at ADC for the city jail. They are also the principal back-up units for the city jail when the city jail units are unavailable. ADC plans to also start cleaning the clothing of the work release inmates as a way of eliminating those individuals from having to bring additional clothing into the facility. This will reduce the opportunity for those individuals to bring contraband into the facility hidden inside their additional clothing. The current units are beginning to experience increased repair costs on parts that are wearing out because of use. The units will be almost 18 years old by the time we plan to replace them. At that time the repair costs will likely be high, making the units operationally inefficient.

Comments:
The units are currently working as designed and replacement can be pushed back to the next budget year for consideration.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: General Street Improvements
Project No: 60000067

Department: Public Works
Division: Engineering
Section: N/A

Description:
Construct curb and gutter, additional lanes, cul-de-sacs, and traffic signals as identified.

Justification:
Funds are used to pave previously non-maintained roads where houses now exist to bring them up to VDOT Maintenance Pavement Standards. Priorities will be adjusted, as necessary, depending upon our ability to move forward with projects. The funds will improve street safety and level of service. Funds are also used to make changes recommended by MPO studies such as lane widening and installing curb and gutter. When possible, funds are used to match VDOT Safety Grants and public/private partnerships with developers.

Comments:
Some general street improvement projects such as cul-de-sacs, new street construction, and Economic Development projects may not be eligible for VDOT funding.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: River District Street Improvements
Project No: 61281

Department: Public Works
Division: Engineering
Section: N/A

Description:

Provide improved sidewalks, lighting, drainage, and roadway improvements in the River District.

Justification:

This project follows River District Guidelines and is a continuation of the Downtown Revitalization Plan recommended by BBP Consultants.

Comments:

No Revenue Sharing available until FY27

Phases/Funding:

Phase I - Main Street (Completed in 2013)

Phase II - Main Street Plaza (Completed in 2014)

Phase III - Craghead Street from Loyal St. to Newton St. (Completed in 2017)

Phase IV - Craghead Street from Newton St. to Train Station overpass (Completed in 2018).

Phase V - North Union Street and Spring Street area from Spring Street to Memorial Drive (Completed in 2019).

Phase VI - Main St. between Floyd St. and Ridge St. and South Union St. between Main and Patton (Completed in 2020).

Phase VII - Wilson Street between Bridge Street and Lynn Street (VDOT Revenue Sharing approved for FY 2020 funding).

Phase VIII - Memorial Drive adjacent to proposed New River Park. (VDOT Revenue Sharing application submitted Oct. 2019 and funded in FY25 due to COVID19).

Next Phases: Loyal Street from Bridge St to Ridge St, Lynn Street from Newton to Loyal, Market Street from Patton to Spring

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
State Grants	-	-	-	723,000	-	723,000
General Funds Revenues	-	500,000	500,000	723,000	500,000	2,223,000
Bonds	500,000	-	-	-	-	500,000
Total Funding Sources	500,000	500,000	500,000	1,446,000	500,000	3,446,000

Goals/Milestones:

FY 2022	Loyal St between Bridge St and Craghead St.
FY 2023	Loyal St between Craghead St and Lynn St.
FY 2024	Spring St from Memorial Dr to Union St.
FY 2025	Memorial Drive adjacent to proposed New River Park.
FY 2026	Improvements in the River District to be determined by Economic Development investment.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Stormwater Improvements
Project No: 60022

Department: Public Works
Division: Engineering
Section: N/A

Description:

This project is for installation of new storm drainage facilities or replacement of old deteriorating storm drainage facilities in order to reduce residential and street flooding as a result of increased development and undersized drains. Project requests are evaluated based on the city's storm water management policy and prioritized as funds become available and as drainage assistance requests are made by residents. Funds are used to assist residents with flooding and erosion problems in accordance with the stormwater management policy.

Justification:

This project is for the efficient management of stormwater collection and discharge within the City.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
General Fund Revenues	-	200,000	200,000	200,000	200,000	800,000
Bonds	200,000	-	-	-	-	200,000
						-

Goals/Milestones:

FY 2022	Install/Repair/replace stormwater culverts city-wide as needed.
FY 2023	Install/Repair/replace stormwater culverts city-wide as needed.
FY 2024	Install/Repair/replace stormwater culverts city-wide as needed.
FY 2025	Install/Repair/replace stormwater culverts city-wide as needed.
FY 2026	Install/Repair/replace stormwater culverts city-wide as needed.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Gateway Corridor Landscaping Improvements
Project No: 61369

Department: Public Works
Division: Engineering
Section: N/A

Description:

This project is a program to improve one city entrance corridor per year. The project includes landscaping and beautification

Justification:

This project is In support of Economic Development and to improve first impressions of the city

Comments:

FY2018: Completed Gateway improvements at interchange at Goodyear Blvd. and Danville Expressway.
FY2019: Completed Gateway improvements at West Main St. and Corning Dr.
FY2019: Completed Gateway improvements at West Main St. and Hunter St.
FY2020: Completed Gateway improvements at N. Main St. and Piney Forest Rd.
FY2020: Completed Gateway improvements at Memorial Drive and Central Blvd. median.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
Special Grants - DIG Program	50,000	50,000	50,000	50,000	50,000	250,000
Total Funding Sources	50,000	50,000	50,000	50,000	50,000	250,000

Goals/Milestones:

FY 2022	South Boston Road at east city-limits.
FY 2023	Riverside Drive at west city-limits.
FY 2024	Franklin Turnpike at Danville Expressway
FY 2025	Landscape sites to be determined.
FY 2026	Landscape sites to be determined.

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: Riverside Drive Reconstruction
Project No: 61282

Department: Public Works
Division: Engineering
Section: N/A

Description:

Remove concrete roadbase and replace with stone and asphalt base from Locust Lane to Barrett Street. The project requires numerous phases.

Justification:

Riverside Drive is constructed with concrete roadbase. The concrete roadbase has begun to shift and move. The effects of the roadbase movement, expansion, and contraction creates large cracks in the asphalt and surface. The surface cannot be repaired without removing the concrete base and replacing it with stone aggregate and asphalt base. The project requires numerous phases over a period of years. Phase I, II, and III were completed in 2006, 2007, and 2016 using VDOT maintenance funds. This project will significantly improve the durability and rideability of the road surface.

Comments:

Phase I - Riverside Dr. from Keen St. to Locust Ln., eastbound and westbound lanes. (Completed in FY 2006)
 Phase II - River St. from Main St. to Fall Creek, eastbound and westbound lanes (Completed in FY 2007)
 Phase III - Riverside Dr. from Sandy Creek to Sandy River, eastbound lanes. (Completed in FY 2016)
 Phase IV - Riverside Dr. from Sandy Creek to Audubon Drive, eastbound lanes. (Completed in FY 2018)
 Phase V - Riverside Dr. from Audubon Dr. to Arnett Blvd., eastbound lanes, to be constructed in FY 2021.
 Phase VI - Riverside Dr. from Arnett Blvd. to Locust Lane, eastbound lanes, to be constructed in FY 2021.
 Phase VII - Riverside Dr. from Audubon Dr. to Arnett Blvd., westbound lanes, to be constructed in FY 2026.
 Revenue Sharing application submitted (Oct. 2019) for FY2022. Funding was delayed to FY26 by VDOT due to COVID-19.
 Phase VIII - Riverside Dr. from Audubon Dr. to Sandy Creek, westbound lanes, to be constructed in FY 2027.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	5 Yr Total
General Fund Revenues	-	500,000	500,000	499,739	499,739	1,999,478
State Grants	-	-	-	23,380	627,142	650,522
Bonds	500,000	-	-	-	-	500,000
Total Funding Sources	500,000	500,000	500,000	523,119	1,126,881	3,150,000

Goals/Milestones:

FY 2022	Phase VII - Riverside Dr. from Audubon Dr. to Arnett Blvd., westbound lanes, to be constructed in FY 2026.
FY 2023	Phase VIII - Audubon Blvd. to Sandy Creek (Westbound lanes) w/concrete curb and gutter where needed
FY 2024	Continued in future CIP years - Phases to be determined between Sandy Creek and Barrett Street (Eastbound and westbound lanes)
FY 2025	Continued in future CIP years - Phases to be determined between Sandy Creek and Barrett Street (Eastbound and westbound lanes)
FY 2026	Arnett Blvd to Audubon Blvd (Westbound lanes). Demolition, new road section, concrete curb and gutter.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: City-wide Wayfinding & Signage
Project No: 61169

Department: Public Works
Division: Engineering
Section: N/A

Description:

This project will implement the way-finding study recommendations for planning, design and construction of way-finding and gateway signage city-wide with a focus on business districts and historically significant areas.

Justification:

A unified signage program is an effective way to increase both residents' and visitors' sense of awareness, comfort, and security to explore and enjoy historical, cultural, recreational, commercial, and natural resources in the city.

Comments:

FY2021: Gateway sign at the south entrance into Danville on West Main Street at Corning Drive.
FY2022: Gateway signage on South Main (Route 86) north of the state line.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
General Fund Revenues		-	100,000	-	100,000	200,000
General Fund Balance	80,000	-	-	-	-	80,000
Total Funding Sources	80,000	-	100,000	-	100,000	280,000

Goals/Milestones:

FY 2022	Installation of a gateway sign/additional wayfinding signage on South Main near state line.
FY 2023	N/A
FY 2024	Installation of a gateway sign/additional wayfinding signage in a location to be determined
FY 2025	N/A
FY 2026	Installation of a gateway sign/additional wayfinding signage in a location to be determined

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: New Sidewalk - Audubon Drive
Project No: 61675

Department: Public Works
Division: Engineering
Section: N/A

Description:

Construct new sidewalk on Audubon Drive from Apollo Avenue to Woodview Drive. This includes bike sharrows on Audubon Drive and a crosswalk at Woodview Drive.

Justification:

Pedestrians have been observed walking in the street along corridor. This project will provide connection at Apollo Avenue to sidewalk at Woodview Drive. It will provide better pedestrian access and pedestrian safety.

Comments:

The VDOT TAP (Transportation Alternative Program) application was submitted in October 2019.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	5 yr Total

Project Title: Replace KIP Printer in Engineering Office
Project No: 61674

Department: Public Works
Division: Engineering
Section: N/A

Description:
Purchase new KIP 860 for replacement of the KIP printer in the Public Works Engineering office.

Justification:
The KIP was installed in March 2015 and is starting to give problems when printing plans. The KIP is used for printing, coping, and scanning plan size sheets. This printer is used by Public Works, Community Development and Economic Development.

Comments:
The cost is based on a quote.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: River District Street Landscaping - Non-VDOT
Project No: 60906

Department: Public Works
Division: Engineering
Section: N/A

Description:

Provide streetscape landscaping, furnishings, and other improvements to Union Street, Craghead Street, Main Street, Bridge Street, Loyal Street, Colquhoun Street and other locations as identified in the phasing of the River District Reconstruction Project. The \$100,000 will be used for non-VDOT grant eligible work.

Justification:

Amenities such as trees, tree grates, benches, bricks, decorative lighting, trash receptacles, and so forth, are not eligible for VDOT Revenue Sharing Funds, but are needed to make the area attractive and inviting.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total

Goals/Milestones:

FY 2022	N/A
FY 2023	Install amenities in the River District area as identified in the phasing of the River District Reconstruction Project.
FY 2024	Install amenities in the River District area as identified in the phasing of the River District Reconstruction Project.
FY 2025	Install amenities in the River District area as identified in the phasing of the River District Reconstruction Project.
FY 2026	Install amenities in the River District area as identified in the phasing of the River District Reconstruction Project.

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: Route 58 WBL Kentuck Road to Airport Drive
Project No: TBD

Department: Public Works
Division: Engineering
Section: N/A

Description:

Install third westbound lane from Kentuck Road to Airport Drive. Project was approved for Smart Scale funding by CTB in June 2019. Funding anticipated to be available Fiscal Year 2024.

Justification:

In 2018, a project was completed which added a third westbound lane from Airport Drive to the Danville Expressway. Lack of funding prevented the extension to Kentuck Road.

Comments:

A Smart Scale application was submitted in August 2018 for funding and funding as approved in June 2019. The exact fiscal year to start receiving funds is around FY24.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
To Be Determined	-	-	3,453,896	-	-	3,453,896
						-

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: Peesetrian Improvements at Riverside Drive & Piney Forest Rd
Project No: TBD

Department: Public Works
Division: Engineering
Section: N/A

Description:

Install crosswalk system at Riverside Drive and Piney Forest Road intersection. Work includes sidewalk, handicap ramps, pavement markings, pedestrian signals, signage. Revenue Application submitted to VDOT in October 2019 for FY21 funding. Funding was approved but delayed to FY25.

Justification:

There is a Danville Transit stop on the south side of Riverside Drive across from Piney Forest Road, but no pedestrian crossing to get to the north side of the road.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
State Grants	-	-	-	140,200	-	140,200

FY 2026	N/A

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION

Project Title: Intersection Improvements at South Main and Stokes St
Project No: TBD

Department: Public Works
Division: Engineering
Section: N/A

Description:

Improve the intersection at South Main Street and Stokes Street. Demolition, turn lane on South Main Street, widen intersection, add curb and gutter, modify drainage system, move utility pole, add sidewalk, add pedestrian crossing, purchase right-of-way.

Justification:

The current configuration can be confusing to drivers and has received complaints from citizens and City Council. This intersection gets congested at times and is a major route for rescue vehicles heading to the emergency room. Pedestrians also do not have a designated place to cross the street.

Comments:

Revenue Sharing Application for FY22 funding was submitted in October 2019 and approved but the funding is delayed to FY26.

Funding		FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
State Grant		-	-	-	-	314,373	314,373

Project Title: Expand Fueling Facility-Additional Propane

Department: Public Works

Project No: TBD

Division: Engineering

Section: N/A

Description:

Expand the Mass Transit fuel site (998-M South Boston Road) with additional propane dispensers.

Justification:

The fueling facility at the Mass Transit Fuel site dispenses diesel, gasoline and autogas to all departments. Due to the increased number of autogas vehicles (Sanitation heavy duty trucks), more dispensers are needed to avoid a backup of vehicles. The expansion will increase the number of dispensers from 8 to 12 and will be placed next to the fueling site using an area already available.

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN

PROJECT DESCRIPTION

THIS IS AN UNFUNDED/UNSCHEDULED PROJECT SLATED BEYOND FY 2025

Project Title: Main Street Parking Deck

Department: Public Works

Project No: TBD

Division: Engineering

Section: N/A

Description:

Construct a parking deck at the intersection of Main Street and North Union Street to include 617 parking spaces on six levels and a potential retail facility. Cost Estimate in 2015 was \$23,600,000. Estimate increased each year due to inflation.

Justification:

Convenient parking is needed for the public and future economic development growth in the Downtown River District area. Timing of construction will depend on future development of River District buildings and funding opportunities.

Comments:

Project based on Schematic Design Manual by SKA Consulting Engineers, dated 8/7/15. Funding to be determined. 2015 Cost estimate: \$23,600,000. Updated each year for inflation.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
To Be Determined	-	-	-	-	30,000,000	30,000,000
						-
Total Funding Sources	-	-	-	-	30,000,000	30,000,000

Goals/Milestones:

FY 2022	N/A
FY 2023	N/A
FY 2024	N/A
FY 2025	N/A
FY 2026	Construct a parking deck at the intersection of Main Street and North Union Street to include 617 parking spaces on six levels and a potential retail facility.

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN

PROJECT DESCRIPTION

THIS IS AN UNFUNDED/UNSCHEDULED PROJECT SLATED BEYOND FY 2025

Project Title: Elizabeth Street Interchange at Danville ByPass
Project No: TBD

Department: Public Works
Division: Engineering
Section: N/A

Description:

Construction of bridge and full interchange at Elizabeth Street and Danville Bypass (Route 29) per 2017 Construction Concept Design and Cost Estimate Study by AECOM.

Justification:

US Route 29 serves as a vital link connecting the Piedmont Triad area in North Carolina to the Danville regional area. Route 29 is a limited access bypass expressway around the City of Danville and the Elizabeth Street connection is the only at-grade access. Right-of-way has been purchased and preliminary engineering plans have been developed. Construction at the interchange will reduce travel time for surrounding residents and improve the safety of the highway system.

Comments:

This at-grade intersection was the location of multiple fatalities in the mid-90s.
 2017 Cost estimate: \$11,125,000

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
To Be Determined	-	-	-	-	25,000,000	25,000,000
						-
Total Funding Sources	-	-	-	-	25,000,000	25,000,000

Goals/Milestones:

FY 2022	N/A
FY 2023	N/A
FY 2024	N/A
FY 2025	N/A
FY 2026	Preliminary engineering phase starts if funded.

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN

PROJECT DESCRIPTION

THIS IS AN UNFUNDED/UNSCHEDULED PROJECT SLATED BEYOND FY 2025

Project Title: Roundabout at Mt Cross Road & Dimon Drive
Project No: TBD

Department: Public Works
Division: Engineering
Section: N/A

Description:
 Construct roundabout at Mt. Cross Road and Dimon Drive

Justification:
 Improve efficiency and safety at the intersection

Comments:
 Smart Scale Application was submitted in August 2018. Project was scored in January 2019 and did not score well enough to receive funding. The West Piedmont Planning District resubmitted a Smart Scale Application in August 2020 for funding. Results will be known in July 2021. Estimate was revised by VDOT.

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
To Be Determined	-	-	-	-	16,500,000	16,500,000
						-
Total Funding Sources	-	-	-	-	16,500,000	16,500,000

Goals/Milestones:

FY 2022	N/A
FY 2023	N/A
FY 2024	N/A
FY 2025	N/A
FY 2026	Construct a roundabout at Mt. Cross Road and Dimon Drive.

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN

PROJECT DESCRIPTION

THIS IS AN UNFUNDED/UNSCHEDULED PROJECT SLATED BEYOND FY 2025

Project Title: Replace Goodyear Blvd Bridge over Pumpkin Creek
Project No: TBD

Department: Public Works
Division: Engineering
Section: N/A

Description:
 Replace bridge on Goodyear Boulevard over Pumpkin Creek.

Justification:
 The bridge floods when Pumpkin Creek reaches a certain elevation. The flooding causes traffic to be detoured around through other roadways.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
To Be Determined	-	-	-	-	25,000,000	25,000,000
						-
Total Funding Sources	-	-	-	-	25,000,000	25,000,000

Goals/Milestones:

FY 2022	N/A
FY 2023	N/A
FY 2024	N/A
FY 2025	N/A
FY 2026	Start Project

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN

PROJECT DESCRIPTION

THIS IS AN UNFUNDED/UNSCHEDULED PROJECT SLATED BEYOND FY 2025

Project Title: Flood Mitigation at River Street "S" Curve

Department: Public Works

Project No: TBD

Division: Engineering

Section: N/A

Description:

Raise and straighten River Street between Main Street and Old Halifax Road to mitigate constant flooding and improve roadway safety.

Justification:

River Street floods when the water in Dan River reaches a certain elevation. This flooding causes a closing of the street and creates detours through residential areas. River Street is part of Route 58 Business.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	5 yr Total
To Be Determined	-	-	-	-	20,000,000	20,000,000
Total Funding Sources	-	-	-	-	20,000,000	20,000,000

Goals/Milestones:

FY 2022	N/A
FY 2023	N/A
FY 2024	N/A
FY 2025	N/A
FY 2026	Start Project

FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN

PROJECT DESCRIPTION

THIS IS AN UNFUNDED/UNSCHEDULED PROJECT SLATED BEYOND FY 2025

Project Title: Riverside Drive/Audubon Dr. Stormwater Mitigation
Project No: TBD

Department: Public Works
Division: Engineering
Section: N/A

Description:
 Improve drainage along Apple Branch from Apollo Avenue to the Dan River.

Justification:
 Apple Branch frequently experiences flash flooding which causes stormwater to spill out onto Audubon Drive and Riverside Drive. The stormwater damages public & commercial property and has stranded motorists in the flood waters. Riverside Drive has to be closed when this flooding occurs and typically requires a substantial clean-up effort before reopening.

Comments:

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
To Be Determined	-	-	-	-	25,000,000	25,000,000
						-

FY 2024	N/A
FY 2025	N/A
FY 2026	Start Project

**FY 2022 FIVE-YEAR CAPITAL & SPECIAL PROJECTS PLAN
PROJECT DESCRIPTION**

Project Title: nDanville Ph 3 Fiber to the Home
Project No: 60844

Department: Utilities
Division: Telecommunications
Section: N/A

Description:

This project will involve installing nDanville fiber optics in residential neighborhoods that are considered unserved broadband areas. The Federal Communications Commission defines broadband as being able to have access to high-speed connection of at least 25 mbps down and 3 mbps upload. The deployment areas will be determined by surveys completed and areas that do not have access to broadband.

Justification:

The deployment will continue to expand nDanville into residential neighborhoods. Revenue accumulated from these residential connections will be reinvested into future neighborhood deployments pending City Council's approval. This project will act as an investment towards the future of our community that is driven by information and technology.

Comments:

N/A

Funding	FY 2022	FY 2023	FY 2024	FY 2025	FY 2026	Total
Utility Revenues	50,000	300,000	300,000	300,000	-	950,000
Total Funding Sources	50,000	300,000	300,000	300,000	-	950,000

Goals/Milestones:

FY 2022	To incrementally expand the nDanville network in order to provider broadband to every customer within our 500 square mile electric service territory. We will continue to utilize our partnership with Riverstreet Networks and other service providers to offer their services across the open access network.
FY 2023	To incrementally expand the nDanville network in order to provider broadband to every customer within our 500 square mile electric service territory. We will continue to utilize our partnership with Riverstreet Networks and other service providers to offer their services across the open access network.
FY 2024	To incrementally expand the nDanville network in order to provider broadband to every customer within our 500 square mile electric service territory. We will continue to utilize our partnership with Riverstreet Networks and other service providers to offer their services across the open access network.
FY 2025	To incrementally expand the nDanville network in order to provider broadband to every customer within our 500 square mile electric service territory. We will continue to utilize our partnership with Riverstreet Networks and other service providers to offer their services across the open access network.
